Hello Boys & Girls Club Families,

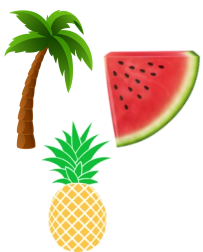

We hope that you are all safe, healthy, and doing well. Our Club team has missed you and we look forward to a time that we can all be together again. We are especially excited that the Club will be open for Summer Camp!

The Boys and Girls Clubs of the North Valley is committed to safety and health procedures and will be following all safety protocols and mandates put forth by the CDC and County. We want to update you on some changes that we will be making in order to provide your family with the best and safe summer experience.

Safety Modifications:

- Summer Camp (full-day service) will be the **only** service we will be able to offer this summer.
- All staff and youth members will be required to wear a mask while inside Club.
*If your child does not have a mask, the Club will provide a mask for them.
- All staff and youth members will have their temperature taken upon arrival and possibly during the day as needed.
- Camp times will be changed to 8:00am to 5:30pm due to staff cleaning processes
- All youth members must be dropped off between 8:00am-9:30am
- All youth members must be picked up between 4:30pm-5:30pm
 - Doctors' appointments and important meetings can be accommodated with at least a 24 hour notice to Camp Coordinator
- Only staff and youth members will be permitted into the building
- We will be practicing all social distancing protocols

Due to social distance protocols we will be reducing the amount of members who can register for camp to only 50 campers per week per camp. This will be on a first come, first served bases with registration and paid deposit. Club families with year round membership will get priority.
