- School day support
- Tutoring

SOCIAL-EMOTIONAL LEARNING

- Ready, Set Action Curriculum*
 - Community Resiliency Model*
 - Heart Set Curriculum*
 - Behavior Guidance
- *certified trained staff*

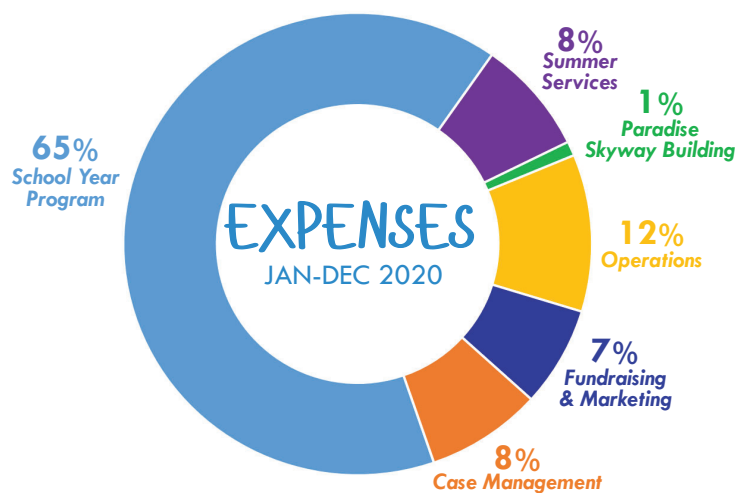

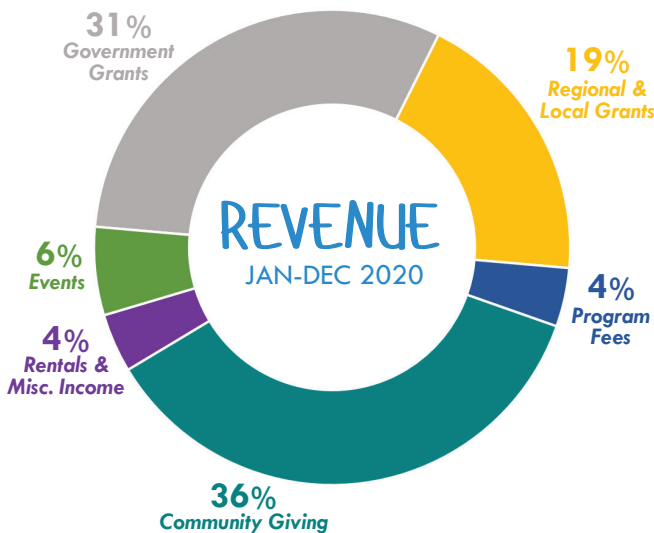

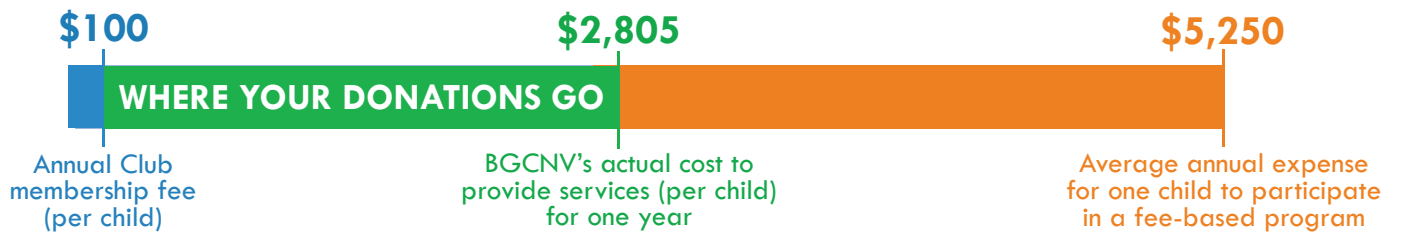

CHILD SAFETY

- OJP Mentoring
- Food Insecurity
- Case Management
- Resilience & Trauma Informed Practices

YOUR INVESTMENT IN THE FUTURE

The Boys & Girls Clubs of the North Valley has been able to keep membership affordable and available to all. Because of our partners and supporters this year we were able to expand our hours, provide precautionary safety measures and be a safety net for our youth and their families. Your donations help us continue to fulfill our promise to be a safe place for youth to flourish.

CELEBRATING OUR 25TH YEAR

We are honored to have celebrated our 25th year of changing and saving the lives of local youth. Through economic crises, tragedies and natural disasters, Boys & Girls Clubs of the North Valley (BGCNV) continues to adapt and evolve programs and services to support kids and families.

BGCNV has been a significant part of this community for the last 25 years – providing kids who need us the most with professionally trained staff, a safe place to be a kid, healthy meals, tutoring, workforce development, college tours, health & wellness support, and much more. Over the past 25 years, your support has allowed us to continue to meet the ever-changing needs of Club members and families – thank you!
