FACILITY RENTAL POLICIES

ALCOHOL POLICY:

The use of alcoholic beverages in the BGCNV facilities is by advanced written permission only and must comply with all state laws, city policies, and A.B.C. regulations. The license number and verification of the company and/or bartender serving alcohol must be submitted to the BGCNV by the renter at least 14 days prior to the event. Failure to comply may result in immediate revocation of permission to use or serve alcoholic beverages; possible termination of the event; and forfeiture of deposits and/or rental fees.

- Alcoholic beverage refers to any beverage that contains any amount of alcohol.
- Alcohol may not be served to minors under the age of 21. Renter's failure to comply, monitor, and enforce this law is grounds for terminating activity and forfeiting the refundable deposits and all rental fees.
- Serving refreshments containing alcohol is prohibited unless dispensed by a licensed caterer, an approved bartender, or through the certification of an A.B.C. certification for the event. A.B.C. regulations are to be strictly enforced by the Renter. Alcoholic beverages are not to be consumed outside the facility, with the exception of the enclosed patio area, when it is part of the Rental Agreement.
- Alcoholic beverages may neither be served nor sold prior to or following the scheduled event time, nor until security guards arrive at the facility.
- Service of alcoholic beverages is limited to a maximum of 6 hours. All service of alcoholic beverages must end 45 minutes prior to the contracted ending time.
- Wine, punch, beer, and champagne may be served out of glasses, cups or cans. Consumption from glass bottles **will not** be allowed.
- When serving wine or champagne, all bottles must be uncorked in the kitchen (and nowhere else) prior to serving. Unopened bottles must be stored in the kitchen.

REQUIREMENTS FOR OBTAINING A LICENSE TO SERVE ALCOHOL:

- If the Renter is charging for drinks or is charging an admission fee for a dinner which includes alcoholic beverages, then these are considered sales. In these cases, an A.B.C. license is required.
- If the Renter uses a caterer or beverage service for alcohol, then it is the immediate responsibility of such services to obtain an A.B.C. Liquor License. This is considered a sale because there is payment for this service by the event holder.
- Solicitation of donations, selling tickets or tokens of any kind with alcohol beverage present requires a liquor license.
- No license is required when the facility is used by a private party with alcohol and no payment of service, donation, fees or charges apply. A private party is not open to the general public. BGCNV does still require the Renter to have an approved bartender to dispense the alcoholic beverages.
- A.B.C. Licenses are applicable only for the area(s), date(s), time(s), business(es), and person(s) indicated on the permit.

FACILITY RENTAL PACKET

- If the Renter is required to obtain an Alcohol License, the BGCNV will issue a letter of facility use confirmation. The Renter will need to pick up this letter and present it to the Alcohol Beverage Control Board upon application for the permit.
- A copy of the Alcohol License must be furnished to the BGCNV at least 14 days prior to the event. The original permit must be posted by the Renter in plain public view near where the alcohol is being served.
- *This is general information only. It is the Renter's responsibility to determine current A.B.C regulations that may apply to your specific event. You may call the Alcohol Beverage Control Board at (530) 224-4830.*
